MY SCHOOL IS A **SUCCESS SCHOOL**

What does this mean?

- The majority of student groups have:
 - met the annual academic goals in mathematics and English/language arts; **AND**,
 - the school has reached its goals in attendance or graduations rates, student academic growth, student success on WESTEST 2, and learning gaps between student groups are small.

What are the expectations of a Success School?

- The school must maintain student achievement each year to keep this designation.

How often are school designations determined?

- A school's designation is determined once a year based on prior school year data, including WESTEST 2 results.
