

Launch Phases

**Phase 1:
Fall 2014**

The launch of Phase 1 will be a Public Release of the following aggregate data: accountability (school designations), enrollment, graduation rate, dropout rate, and attendance.

**Phase 2:
Winter
2014-2015**

The launch of Phase 2 will be a Public Release of the following aggregate data: select assessments & discipline. It will also include a Secure Release for educators of the following student level data: enrollment, graduation rate, attendance, discipline, courses, GPA, select assessments, and early warning indicators.

**Phase 3:
Spring 2015**

The launch of Phase 3 will include the addition of any aggregate and student level data of interest that was not included in Phase 1 or 2. For example, any remaining assessments will be released in Phase 3.

**Routine
Use and
Maintenance**
